

Boot Camp Cast Drawing

Instructor: Devin Cecil-Wishing

Materials List

- Drawing board
- At least one sheet of Strathmore 400 series drawing paper, 18 x 24...or a similar paper.
- One sheet of Fabriano Artístico, Hot press 140 lb paper (bright white or natural white)
- One of each: HB, H, 2H and 4H graphite pencils (I like the Staedtler brand with the blue paint and black back end...the ones made of real wood)
- Gray Kneaded eraser
- Tombow MONO Zero Refillable eraser. There are other similar products that will work but these are really nice. Here's a link if you haven't heard of them...
<http://www.dickblick.com/items/21576-9330/>
- Pocket level (the kind with a bubble in it that carpenters use. A very small one is fine)
- One long skinny knitting needle or bbq skewer or bicycle spoke. Something long, skinny and straight like that which won't bend.
- X-acto knife and extra blades (you can also bring sandpaper in addition to the knife if you like but I personally prefer to sharpen pencils just with the knife)
