

Cast Drawing Materials List

Drawing board

A pad of 18 x 24 Strathmore 400 Series Medium surface white drawing paper

Pencils – HB, H, 2H, 4H graphite pencils (at least one of each). If you want a brand recommendation try: Staedtler with the blue paint & black back end...the ones made of real wood.

Optional additions: 6H, 8H, 10H

Or you could get mechanical lead holders as your pencils with refills of HB, H, 2H and 4H

x-acto knife with extra blades & sandpaper strip for pencil sharpening

Gray Kneaded eraser

Tombow MONO Zero Refillable eraser. There are other similar products that will work but these are really nice. Here's a link if you haven't heard of them...

Measuring tool such as one long skinny knitting needle, bbq skewer or bicycle spoke. Something long, skinny and straight like that which won't bend.

Pocket level (the kind with a bubble in it that carpenters use. A very small one is fine).

Plumb line (any piece of thread with a weight tied to the end. Can definitely be homemade)

Patience
